**REQUEST FOR CORRECTION OF INVENTORSHIP**

To: **Commissioner for Patents**  
**P.O. Box 1450**  
**Alexandria, VA 22313-1450**

Sir:

The undersigned requests that a Certificate of Correction be issued for inventorship of the above-identified patent application as set out below and referenced in the enclosures herein.

**REMARKS**

This request is being made in order to correct an error on inventorship. In support of these corrections, we are enclosing (1) a statement from the inventor stating that the error in inventorship occurred without deceptive invention on his part; (2) a declaration by the actual inventor as required by 37 C.F.R. § 1.63; (3) a check for \$130.00 for the processing fee set forth in 37 C.F.R. § 1.17(i); and (4) written consent of the assignee to change inventorship.

**COMBINED DECLARATION AND POWER OF ATTORNEY  
OF ADDITIONAL ORIGINAL INVENTOR**

---

Inventor(s):                    **Gregory S. Geschke  
William C. Gustafson  
Alan B. Roberts  
Jeffery K. Weiler**

Assignee:                      **Isothermal Systems Research, Inc.**

Serial or Patent Number:    **10/783,397**

Filed or Issued:              **February 19, 2004**

For:                              **Input/Output Transition Board System**

As a below named inventor, I, **Jeffery K. Weiler** hereby declare that:

My residence, post office address and citizenship are as stated below next to my name. I believe I am the original, first and sole inventor (*if only one name is listed below*) or an original, first and joint inventor (*if plural names are listed below*) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

**Input/Output Transition Board System**

identified in the Serial Number referenced above.

**ACKNOWLEDGEMENT OF REVIEW OF PAPERS AND DUTY OF CANDOR**

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment if applicable. I acknowledge the duty to disclose to the Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56, and which is material to the examination of this application, namely, information where there is a substantial likelihood that a reasonable Examiner would consider it important in deciding whether to allow the application to issue as a patent.

I further state that I do not know and do not believe that the above-named invention has ever been known or used in the United States before my invention thereof, or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to this application, or in public use or on sale in the United States more than one year prior to this application; and that the invention has not been patented or made the subject of any inventor's certificate in any country foreign

to the United States on an application filed by me or my legal representatives or assigns more than twelve (12) months prior to this application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

#### **CLAIMING PRIORITY FROM FOREIGN APPLICATION**

I hereby claim foreign priority benefits under Title 35, United States Code, Section 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
